Corona Ring Pendant

By SONNEMAN - A Way of Light

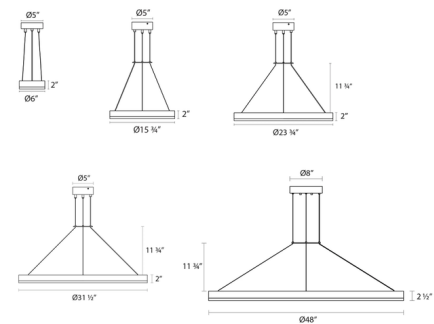

Description

The Corona Ring Pendant is a warm circle of LED illumination that floats effortlessly in the air. The frame, made of aluminum, is fitted with an optical acrylic diffuser that softens the light. Available in a range of sizes, this pendant can be installed individually in an entryway to welcome guests, or in a series to create a dramatic effect in a larger space. All sizes are dimmable with a TRIAC or ELV dimmer at 120V. The 24, 36 and 48 inch pendants are dimmable with a 0-10V dimmer at 120-277V. Note: The 3500K option is only available for 32 and 48 inch pendants.

Shown in bright satin aluminum
