Wet location Junction Box with Cable for Static White

By PureEdge Lighting

Description

The Wet Location Junction Box with 6 Inch Power Cable is a watertight, multi-fixture junction box especially designed for lighting in wet and damp locations. Includes a 6 inch flexible cable for connection to 24V low voltage luminaires. Approved for indoor and outdoor usage and complies with all of the requirements of UL1241 and the National Electric Code. Designed for use with PureEdge Lighting Static White and Warm Dim Flex Neon.
