DESCRIPTION

Bring a beach-bungalow vibe and warm glow to your home with the Bahama Arc Lamp. The arcing design of this floor lamp makes it the perfect light source for reading in a recliner or working at a desk, while its slender metal pole and low-profile base in dark bronze finish make it easy to position near love seats, couches, armchairs, or side tables. Designed in an inverted basket shape, the woven light rattan shade illuminates your space with a warm light and creates a relaxed and natural focal point to any living space, bedroom, or office. Operated by a rotary switch located on the stem to easily turn it on or off.
