DESCRIPTION

The Platet A02 Wall Sconce features a clean and simple design with a slight industrial flair. The long body of the wall sconce is secured to the wall and then sticks out at the top to hold the shallow cone shaped shade. Available with an Ebony Black finish complemented by a Light Grey, Olive Grey, Antique Brass, or Terracotta shade. ETL and CE listed. NOTE: This fixture is designed to be mounted on a 2 inch x 4 inch switch box and will not cover a standard 4 inch junction box.
