Skybell Push Button Wall Sconce

By Bover

Description

The Skybell Push Button Wall Sconce features a clean and simple design that strips the light to its basic necessities that maintains an elegant and discreet look. The arm of the lamp is adjustable and can stick out up to 35 degrees from the base and rotate 210 degrees around. Includes an integrated dimmer that is controlled by a push button on the base and cycles between 30%, 60%, and 100% power. The light will turn on with the same light output as when it was shut off. Available with a Black finish and the option of with or without a USB port for charging your electronics. ETL and CE listed. NOTE: This fixture is designed to be mounted on a 2 inch x 4 inch switch box and will not cover a standard 4 inch junction box.
