Myra Pendant

By Dainolite

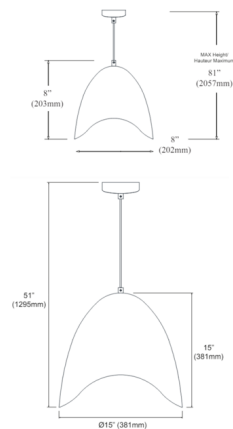

Description

The Myra Pendant has a presence that can't be ignored, in a relatively small footprint perfect for any size space. The all metal design begins with a simple drop and ends in a modified bowl shade with an asymmetrical curving edge. It creates a focal point that will highlight the furnishings and area around it. Myra lighting has a distinctly modern panache that adds a sense of your refined style to a foyer, kitchen or main hallway.

Shown in black / white
