LED Hardwire or Plug-In Picture Light By Dainolite

Description

The LED Picture Light features an elegant design and welcome light adds to the allure of your wall art pieces. An arm extends vertically from the metal base, curving back down to angle the horizontal light bar at the work on the wall. It's a lyrical design with an artistic flair that will complement the piece it illuminates. Can be used as a plug-in or hardwire picture light. Plug in option includes 96 inch cord length with on/off rocker switch.
