Captain Flint Outdoor Floor Lamp

By FLOS

Description

Bring refined elegance and versatile illumination to your outdoor living spaces with the Flos Captain Flint Outdoor Floor Lamp, a sleek and graceful design that features smart details from head to toe. This remarkably versatile fixture stands tall, anchored by a stunning natural material base that provides robust stability and a touch of organic luxury. Its slender stem and distinctive spinning cone diffuser offer direct light that can be effortlessly re-positioned, allowing you to direct the illumination precisely where it's needed for reading, entertaining, or highlighting architectural features. The Captain Flint Outdoor Floor Lamp is available in a sophisticated range of finishes for its stem and cone, each thoughtfully paired with a complementary base: a striking Red Burgundy with a Black Lava base, a classic Black finish with a Black Lava base, an elegant Brushed Brass finish with a Grey Lava Stone base, a modern Brushed Stainless Steel with an Occhio di Pernice base, or a deep Deep Brown finish with a Travertino base. While the dimming control is integrated and remote-operable, providing seamless adjustment of its luminous output, this lamp is designed to withstand outdoor conditions, making it an ideal, sophisticated companion for your patio, deck, or garden.
