Componibili Classic Storage Module By Kartell

Description

The Componibili Storage Module is made of ABS plastic with a tray top and was designed to meet various storage needs. This series has received much recognition for its design history and innovation and can be seen on display at the Museum of Modern Art in New York and the Centre Georges Pompidou in Paris. The holes on the door allow you to slide the doors open for the drawer. Note: Some finishes are not available in all sizes.
