Componibili Recycled Storage Module

By Kartell

Description

The Componibili Recycled Storage Module is made from recycled plastics with a tray top and was designed to meet various storage needs. Available in two size options with a White or Black finish. The Componibili Module series has received much recognition for its significance and innovation and can be seen on display at the Museum of Modern Art in New York and the Centre Georges Pompidou in Paris. The holes on the door allow you to slide the doors open for the drawer.
