4RLDG4 4 Inch LED Retrofit Baffle Trim By Juno Lighting

Description

With Juno Retrofit LED Basics Series 4RLD Gen-4 4 inch trim modules, upgrading your existing 4 inch recessed housings with medium base sockets is inexpensive and nearly as simple as replacing an incandescent lamp. Rated for use in IC or Non-IC housings. Constructed of die-cast aluminum available with a White trim and White baffle reflector and regressed polycarbonate lens. Available with choice of 2700K or 3000K color temperature in a 600 lumen (8 watt) or 900 lumen (12 watt) option. 600 lumen equivalent to a 50 watt incandescent lamp. 900 lumen equivalent to a 75 watt incandescent lamp. Easily retrofits most existing 4 inch medium base housings. Trim ships with a medium base socket adapter whip for installation into 4 inch incandescent housings with medium base sockets. UL listed. Wet location listed (indoor covered ceilings only). Energy Star certified. Title 20/Title24 compliant. 5 year limited warranty. Dimmable to 5% with many incandescent, magnetic low voltage or electronic low voltage dimmers (see attached manufacturer dimmer compatibility reference for compatibility).
