Braxton Three Arm Floor Lamp

By Adesso Corp.

Description

The Braxton Three Arm Floor Lamp features a slender metal stem and elongated curved arms, making it a perfect light source next to a desk or a reading chair. Each arm can be swiveled and repositioned for either a slim profile or a more wide reaching feel. The angle of the wide cone shades can be adjusted by joints at the lamp's head. An on/off rotary switch is installed on the stem allows one, two, or all three lights to be turned on at a time.

Shown in dark bronze / light brown
