## Pond Large Mirror By Ferm Living

### Description

The Pond Large Mirror features an organic shape that is inspired by the movements of water creating a free floating shape that is perfect to be used as a functional mirror as well as a decorative wall piece. Available with a brass or dark chrome finish around the outside rim. Can be hung horizontally or vertically. Note: The mirror's metal frame features two welding marks at the points where the metal has been fused together.

Shown in brass / mirror
