## 24V 100 Watt Nexus Driver / Dimmer Switch

By Nora Lighting

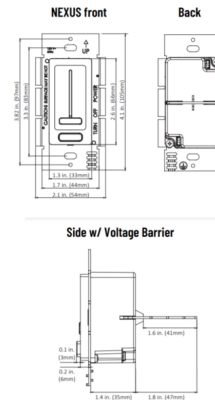

### Description

The NEXUS 24 Volt LED dimmer switch and power supply simplifies LED lighting by combining the power supply and dimmer control into a single integrated unit. NEXUS mounts in a standard in-wall switch box, accepts 120VAC and converts to 24V. Single pole present dimmer with on/off push switch with smooth dimming down to 5%. Adjustable voltage output dial to address voltage drop. Includes voltage barrier partition to install high and low voltage circuit in same box. Faceplate available in White. cUL listed.

Shown in white
