12V 60 Watt Nexus Driver / Dimmer Switch

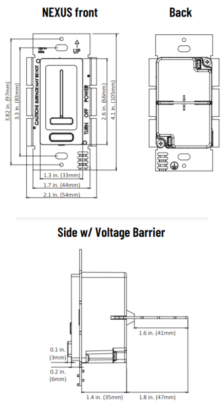

By Nora Lighting

Description

The NEXUS 12 Volt LED dimmer switch and power supply simplifies LED lighting by combining the power supply and dimmer control into a single integrated unit. NEXUS mounts in a standard in-wall switch box, accepts 120VAC and converts to 12V. Single pole present dimmer with on/off push switch with smooth dimming down to 5%. Adjustable voltage output dial to address voltage drop. Includes voltage barrier partition to install high and low voltage circuit in same box. Faceplate available in White. cUL listed.
