Gigi Grand Table Lamp

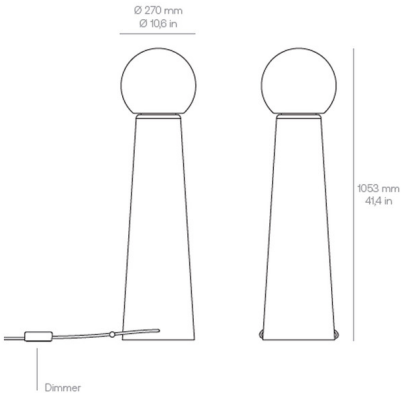

By Darmes

Description

Created by Alexandre Joncas in collaboration with Verre d'Onge, The Gigi Table Lamp features clean lines and sensuous tones that are created from glassblowers creating unique shades of color that spread throughout the material. The Gigi table lamp offers two-way lighting that fades to warmer shades creating a muted ambiance and infuses a touch of playfulness to the room. The integrated LED features Dim-to-Warm and Tunable White technology that allows you to dim the light from 2200K to 3000K through the integrated touch dimmer switch.
