Heirloom MS2 Wall Sconce

By Hudson Valley Lighting

Description

The Heirloom MS2 Wall Sconce offers a captivating blend of vintage charm and modern adaptability, making it a versatile choice for any discerning designer. Featuring an exposed, Edison-style carbon filament bulb, it casts a warm, inviting glow that instantly adds character and a touch of industrial elegance to your space. This unique wall light allows you to customize its aesthetic with a variety of shade options, letting you tailor its look to perfectly complement your interior design vision. Ideal for hallways, flanking a fireplace, illuminating a cozy reading nook, or as an accent piece in a living room, the Heirloom MS2 provides both ambient light and undeniable style. Its versatile design seamlessly integrates into contemporary homes, transitional decors, or spaces seeking a restored industrial aesthetic.
