Jocasta Table Lamp By Currey & Company

Description

The Jocasta Table Lamp combines a classic profile with a unique material. The globe-shaped body made of clear emerald or red glass brings an airy yet distinct splash of color into any space. Brass accents are visible throughout, from the finial at the top, to the stem inside the glass, to the wide ring above the base. The switch is a 3-way turn knob on the socket.

Shown in clear red / brass / bone linen
