

BRAND Fanimation

DESCRIPTION

The Obvi Ceiling Fan features a sleek and modern design with a framed ovoid shape that has LED lights embedded into the frame and conceals the 22 inch fan. The fan is powered by a powerful 153x12 mm sensorless DC motor the provides ample amounts of airflow from the three blades. Available in two finish options that both come with clear blades. Includes a 4.5in. downrod and a handheld remote (TR205D). The fan can be mounted on ceilings with up to a 19 degree slope, an optional sloped ceiling mount can be purchased separately to install on ceilings up to 42 degrees. Optional close to ceiling kit, sold separately, allows for installation without the use of a downrod.
