Kerring Ceiling Fan

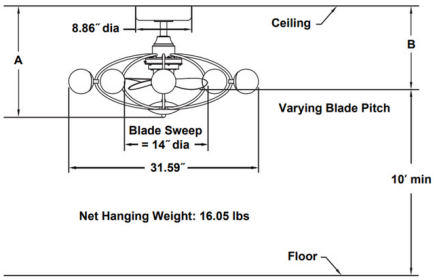

By Fanimation

Description

The Kerring Ceiling Fan features an Ovoid framed shape that is complete with small spherical shapes that hold the integrated LED lights and are located around the edge of the fixture. Available in two finish options both with clear blades with a 12 inch span and located within the framed shape. Includes a TR500 remote hand-held control (push button remote with variable fan speeds, infinite light levels and off button), and a 4.5in. downrod. This fixture can be mounted on sloped ceilings up to 20 degrees, an additional accessory (sold separately) allows for installation on ceilings up to 42 degrees.

Shown in brushed satin brass / clear
