Flauta Riga Outdoor Wall Sconce

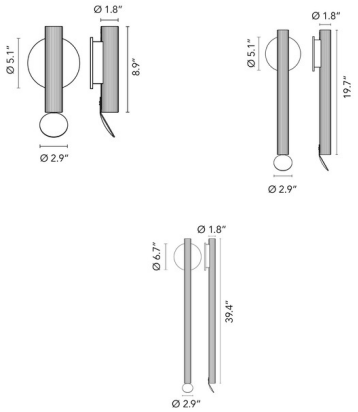

By FLOS

Description

Extend the sophisticated aesthetic of the Flauta Riga series to your exterior with the Flos Flauta Riga Outdoor Wall Sconce. This robust fixture draws its design cues from the graceful, linear forms of flutes and organs, presenting a contemporary yet timeless appeal. It features dual spotlights meticulously engineered to provide powerful up and down lighting, creating dramatic effects on your outdoor walls and enhancing architectural details.The cylindrical body of the sconce is elegantly adorned with subtle vertical lines, etched to give the fixture a refined and textured style that adds depth to its luminous presence. A small, ingenious circular reflector is included, allowing you to capture and reverberate the light throughout your outdoor space, adding an atmospheric glow to patios, entryways, or garden walls. Crafted from durable aluminum and built to withstand the elements, the Flauta Riga Outdoor Wall Sconce is a perfect choice for adding a touch of contemporary elegance and functional beauty to any exterior setting.
