## Surface Mount 12V Step Light without Housing By Kichler

## Description

The 12V Surface Mount Contemporary Step Light features an aluminum body offering low profile construction without a junction box. Makes installation simple for retrofit or new construction. Features a removeable mounting template and is sealed and fully encapsulated to safeguard against outdoor elements. Includes diffuser, mounting hardware, mounting template, wire connectors and locknut. 84 inch of usable 18 AWG 105C, 300V, SPT-1W leads. Required power supply sold separately. Dimmer type dependent on power supply.
