Cortland Wall Sconce

By Hudson Valley Lighting

Description

Make a striking statement with the Cortland Wall Sconce, a distinctive fixture characterized by its unique diamond-shaped backplate. This elegant design detail sets it apart, adding a touch of geometric sophistication to your walls. The Cortland delivers a focused, ambient glow, perfect for creating inviting light scenes. This wall sconce is an excellent choice for adding a touch of modern artistry to hallways, providing accent lighting in a living room, or flanking a mirror in an entryway. Its sleek profile and unique backplate ensure it stands out as both a functional light source and a decorative element in contemporary and transitional interiors.
