Kinsman Bathroom Vanity Light

By Modern Forms

Description

The Kinsman Bathroom Vanity Light features a elegant look with pebbled leather and metallic finishes to create an interesting mix of materials. Available in two sizes with an Aged Brass finish complemented by Warm Brown leather or Brushed Nickel complemented by Black leather. A switch within the canopy allows you to control the color temperature of the lamp between 2700K/3000K/3500K. You can also choose between up light, downlight, or both through a switch within the canopy. A conversion plate allows for installation on 4in. junction box. ACLED driverless technology.

Shown in brushed nickel / black
