Open Bar Bath Vanity & Wall Light By Modern Forms

Description

The Open Bar Bath Vanity Light features an open design that allows light to flow out and has clean simple lines. Each fixture comes preset with a color temperature that can be altered during installation through the use of a switch. Includes an optional 1in. junction box allowing you to install your fixture in the precise position and orientation you desire. Also includes a 4in. conversion plate to fit standard junction boxes. The state of the art ACLED driverless technology allows you to install the fixture without a driver.
