Zenith Ceiling Light

By Modern Forms

Description

The Zenith Ceiling Light features a clean and simple design with a round low-profile shape giving it an unassuming look that is packed with the latest LED technology. This fixture comes with a preset color temperature, but has the ability to be changed during installation through the use of the on-board CCT selection switch. Options include a standard fixture and a fixture with a battery backup that provides the fixture with 90 minutes of lighting should the power go out.

Shown in titanium / white
