Launceton Ceiling Fan

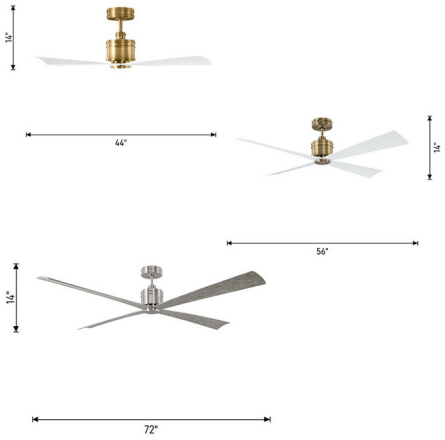

By Visual Comfort Fan

Description

The Launceton Ceiling Fan is characterized by balance and simplicity, designed with just the right detailing that complements its classic design. A quiet, energy-efficient DC motor and four blades provide powerful airflow, creating a comfortable environment in living rooms, bedrooms, enclosed patios, or other indoor or covered outdoor spaces. A hand-held remote control is included for turning the motor on/off and setting 6 speeds and reverse. Optional accessories are sold separately. Note: Not all options are available.
