Orbet Chandelier

By Visual Comfort Modern

Description

Inspired by a string of pearls, the Orbet Chandelier is a ring of shiny milk glass orbs accented with metal spacers. Its soft diffused aesthetic adds a sense of elegance to dining rooms and foyers or hospitality settings. The thin metal ring that gathers the suspension cables is included, and the fixture can be styled with or without it. Includes a universal 120-277V driver, dimmable with most ELV and TRIAC dimmers. The Natural Brass is a living finish that will patina and warm with age, adding richness. If it gets an uneven patina or spots, a brass cleaner can restore the finish.

Specifications
