Costanza Telescopic Table Lamp By Luceplan

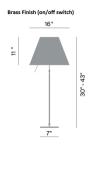

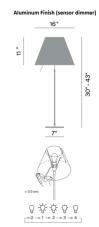

Description

The Costanza Telescopic Table Lamp features an aluminum base with a polycarbonate silkscreen shade. Available in two finishes and a variety of shade color options. The light and washable shade diffuses a warm and pleasant light. Its unmistakable slim but structurally solid structure fits naturally into any interior. Brass finish includes on/off switch. Aluminum finish includes a dimmer rod that turns the lamp on/off, and alternating four light level intensities.
