Caiden 120V Outdoor Post Mount By Troy Lighting

Description

The Caiden 120V Outdoor Post Mount takes the classic cage lantern and elevates it with romantic design elements. Crafted from forged iron, Caiden pairs a rectangular frame with seeded glass for a more natural glow. A budding flower tops the cage, paying homage to the lush countryside. Troy post lights are compatible with two types of base; order either a pier mount fitter or post depending on the application, required and sold separately.

Shown in forged iron / clear seeded
