Penn Chandelier

By Golden Lighting

Description

Penn's distinctive wide brim and conical shape draw focus in a subtle, understated manner. The designers used classic pairings to create a fashionable, timeless look. A dramatic, matte black collar looks great when placed atop the Modern White Shade. Clean and flawlessly elegant, the series is perfect for contemporary spaces. When on, the downlights create a warm glow within the encased shades. This generously-sized 6-light pendant chandelier creates a bright pool of light over a dining table.
