Zoey Wall Sconce

By Golden Lighting

DAMP

Description

The Zoey Wall Sconce is proof that simple can be beautiful. This elegantly utilitarian series has the chic versatility to enhance the style of a variety of spaces. The smooth lines of this minimalist design pair well with transitional to modern decors. The cleanness of the contemporary look gives the fixtures a slightly industrial feel. The color of the shade's interior consistently matches the shade's exterior finish. The silhouette of the metal shade is a modern update to the classic dome shape. This wall sconce is perfect for hallways, bedrooms, or to use as an accent. Note: Not all options are available.
