Heartwood Linear Pendant By Golden Lighting

Description

From Country to Contemporary, from French to Mediterranean, the Heartwood collection feels equally at home in many decors. The transitional style with simple, clean organic lines creates a timeless look whether your style is traditional or modern. Four layers of color create the signature Burnt Sienna finish, and the unique Tea Stone Glass complements the warm tones and welcoming feel. This linear pendant provides soft ambient downlight and a touch of class, illuminating a kitchen bar or small dining table without interfering with activity on the surface.
