Seaport Outdoor Wall Sconce By Golden Lighting

Description

Nautical-inspired, Seaport is a collection of industrial fixtures that are perfect for your seaside retreat. The New England style is enhanced by a protective cage and a seeded glass to shield the fixture's bulb. Created to suit the needs of many, ball joints permit a multitude of configurations, allowing you to point the metal shade down for directional task lighting or angle it out to fit a tight space. The series features this wet-rated, outdoor option that is UV-coated to protect it from fading.
