## Apollo Floor Lamp

By Seed Design

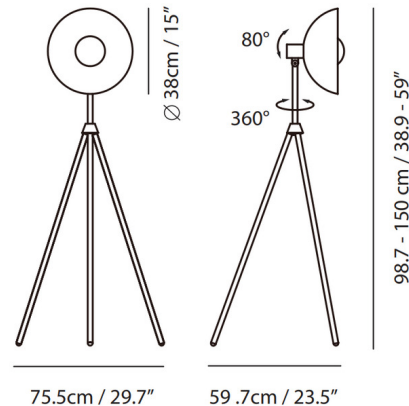

### Description

The Apollo Floor Lamp is a simple yet eye catching piece, aiming to make an impression in any space. Features an LED light source integrated behind a copper metal cap which prevents the light from being visible. The huge rotatable shade embraces and sheds the light at the same time, while the tripod legs bring balance to the look. Includes a touch-dimmer device on the back side of the lamp shade, allowing users to enjoy flexible modes like being in nature. Includes a black textile cord.

Shown in matte black / copper
