Indy Maxx Smart Ceiling Fan with Light

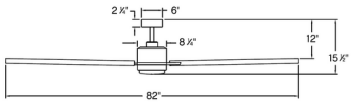

By Hinkley Lighting

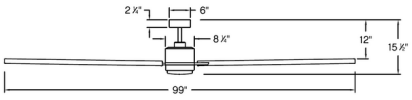

Description

The Indy Maxx Smart Ceiling Fan with Light features sleek aluminum blades and a raw, edgy style that perfectly complements modern industrial settings. Equipped with a quiet DC motor and integrated LED light, it freshens and brightens your indoor or covered outdoor space while achieving energy efficiency. The fan includes a HIRO wireless control which incorporates WiFi and RF technology. It enables 6 speeds, forward and reverse, motor on/off, and light on/off with warm dimming (dims from 3000K to warmer). The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone. In addition to the basic functions, the app offers features such as timers and breeze mode, and enables linking with smart home tech including Google, Amazon Alexa, and Siri. With its smart design, the Indy fits seamlessly into your modern lifestyle. A matching light kit cover is included. Other optional accessories are sold separately.

Shown in matte black / matte black
