Sawyer Fandelier Smart Ceiling Fan By Hinkley Lighting

Description

Rich in rustic details, the Sawyer Fandelier Smart Ceiling Fan infuses any indoor or outdoor living experience with a warm, cozy feel. Balancing style with function, this combination chandelier fan offers the grandeur of a chandelier along with refreshing air circulation. Convenience is at your fingertips with the included HIRO wireless control, which can be wall-mounted or hand-held. It uses WiFi and RF technology, and can set 6 speeds, forward and reverse, motor on/off, light on/off, and dimming. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone or other smart device. In addition to the basic functions, the app offers advanced features such as timers and breeze mode, and enables linking with smart home tech including Google, Amazon Alexa, and Siri. Optional accessories are sold separately.
