Hampton Smart Ceiling Fan with Light

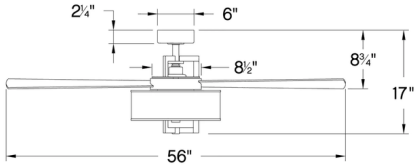

By Hinkley Lighting

Description

The Hampton Smart Ceiling Fan with Light features a DC 153x10 motor with a 14 degree blade pitch, reversible wood blades, and integral LED light softened by an off-white linen drum shade paired with an etched acrylic bottom lens. Equivalent to two 100 watt incandescent lamps. Slope: 20 degree (may be used with a slope ceiling adapter). Available in Brushed Nickel with Silver / Walnut reversible blades, Heritage Brass with Matte White / Birch reversible blades, or Metallic Matte Bronze with Metallic Matte Bronze / Walnut reversible blades. The reversible blades can be flipped upside down to change the look of the fan. The fan includes a HIRO wireless control which incorporates WiFi and RF technology. It enables 6 speeds, forward and reverse, motor on/off, and light on/off with dimming. The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone. In addition to the basic functions, the app offers features such as timers and breeze mode, and enables linking with smart home tech including Google, Amazon Alexa, and Siri. Includes a 6 inch downrod. Optional accessories sold separately.

Shown in heritage brass / matte white / birch
