## Marin Smart Ceiling Fan with Light By Hinkley Lighting

### Description

Featuring curved blades and nautical rope detailing, the Marin Smart Ceiling Fan with Light accents your space with maritime flair. This versatile fan brings comfort to indoor or covered outdoor settings, providing LED illumination and powerful yet efficient airflow with its DC motor. A convenient wireless HIRO control is included. It incorporates WiFi and RF technology and enables motor on/off, 6 speeds, forward and reverse, and light on/off and warm dimming (dims from 3000K to warmer). The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. The Hinkley app on your smartphone offers further control options. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and can link the fan to smart home tech including Google, Amazon Alexa, and Siri. This smart Marin fan fits seamlessly into your modern lifestyle. A matching cover plate is included, to be installed if the light kit is not used. Other optional accessories are sold separately.
