Chisel Smart Ceiling Fan

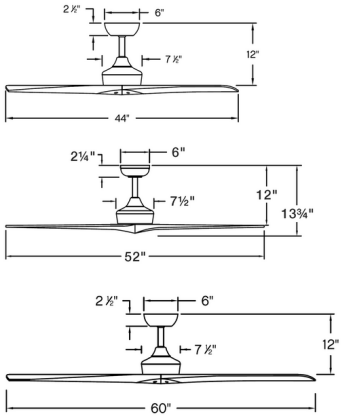

By Hinkley Lighting

Description

The Chisel Smart Ceiling Fan offers a bold silhouette that redefines dramatic style. Its sleek, carefully crafted form combines sturdy solid wood blades with a simple metal housing structure, making a modern statement in your space. Built with a quiet yet powerful DC motor, the Chisel is an energy-efficient choice for your indoor or covered outdoor setting. The included wireless HIRO control provides convenience at your fingertips. Using WiFi and RF technology, it enables motor on/off, 6 speeds, and forward and reverse. It can be wall-mounted or handheld. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. The Hinkley app offers further control through your smartphone or other device. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and links the fan to smart home systems including Google, Amazon Alexa, and Siri. This smart fan is the perfect solution for your modern lifestyle. Optional accessories are sold separately. Note: Not all finish/color combinations are available.
