Swell Smart Ceiling Fan

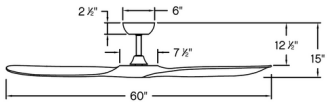

By Hinkley Lighting

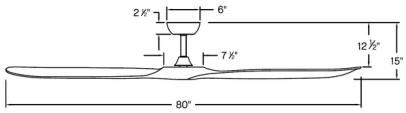

Description

The Swell Smart Large Ceiling Fan elevates your space with its gracefully curved blades and sleek profile. Its quiet, energy-efficient DC motor delivers refreshing airflow for comfortable enjoyment of any indoor or covered outdoor setting. A convenient wireless HIRO control is included. It incorporates WiFi and RF technology, and enables motor on/off, 6 speeds, and forward and reverse. It can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. The fan can also be controlled through your smart device using the Hinkley app. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and links the fan to smart home systems including Amazon Alexa and Google Home. Optional accessories are sold separately.
