Djembe Pendant By Maset

Description

The Djembe Pendant is like the echo of a drum, designed for repetition creating a musical composition of light. The shade is made of bi-injected rotary molded polyethylene that is textured to resemble stone. The inside is a smooth satin white, perfect for the reflection of light from the lacquered grey diffuser inside. Dimmer Compatibility Notes: All size options can be dimmed with low-voltage electronic dimming. The 25x9, 25x14, 26x17, and 39x15 inch size options are all equipped with a dual dimming driver and can be dimmed via low-voltage electronic or 0-10V dimming.
