Coordinates Wall Sconce

By FLOS

Description

Discover the captivating simplicity of the Flos Coordinates Wall Sconce, an ultra-sleek lighting display that makes a chic statement in both contemporary residential and commercial spaces. This minimalist fixture features either one or two refined strip lights, forming a clean, linear presence on your wall. Each element is meticulously crafted from extruded anodized aluminum and seamlessly fitted with an integrated LED strip diffused by platinum optical silicone, ensuring a smooth, consistent, and beautiful glow. Designed for straightforward installation, the Coordinates Wall Sconce includes a discreet backplate that neatly covers a standard US junction box, allowing for a clean, finished appearance. Its understated elegance and powerful linear illumination make it an ideal choice for hallways, architectural accents, or creating a sophisticated ambiance in modern interiors. This sconce proves that sometimes, the most striking statements are made with the purest forms.
