Post Floor Lamp

By Muuto

Description

The Post Floor Lamp features innovative magnetic joints that allow for unlimited customization of ambient and task lighting. Exploring the utmost flexibility of a magnetic joint, the individual lighting units of the design can be positioned, and turned up and down to individual needs. Use the magnetic cable drops to position the cords on the rod. Lighting unit in powder coated magnesium with silicone cord and opal diffuser. Cable drops in ABS with magnet. Power hub in wet painted ABS with PVC cord. On/off foot switch on cord. The Post Floor Lamp comes with two lighting units. An additional lighting unit can be purchased, sold separately.
