Outdoor Flood Light with Motion Sensor/Photocell By Generation Lighting

Description

The Outdoor Flood Light with Motion Sensor and Photocell brings a clean look to your exterior space. The adjustable heads provide a wide path off light that can be directed where you need it most. Includes a photocell to save electricity by turning the light off during the day or when your location is properly illuminated. Adjust motion sensitivity from 10 to 60 feet distance, with a 1 to 10 minute timer, and a 180 degree detection range. LED option is Title 24 Compliant.
