Raimond II Pendant

By Moooi

Description

The Raimond II Pendant features intricate spheres transporting the electrical current through a Stainless Steel frame. The LED terminals join these paths to create atmospheric ambiance. The transparent PMMA lenses are specially detailed to spread warm white light in every direction. Includes dimmable power supply and ABS Steel canopy. Note: The Raimond II is only dimmable using the Wireless Wall Dimmer Switch or with Raimond II 0-10V Driver for 0-10V dimming systems, sold separately.
