

**BRAND** Beacon Lighting

**DESCRIPTION**

With its flared profile, the Lucci Air Flusso Ceiling Fan with Light adds a dash of modern style to your space. The blades are reversible with a different color on each side, offering a way to easily change the look of the fan. The light kit with a replaceable GX53 LED bulb illuminates the room, while the DC motor provides powerful airflow. A hand-held remote control is included and enables 6 speeds, forward and reverse, motor on/off, and light on/off with 3-step dimming.
