Abbie Chandelier

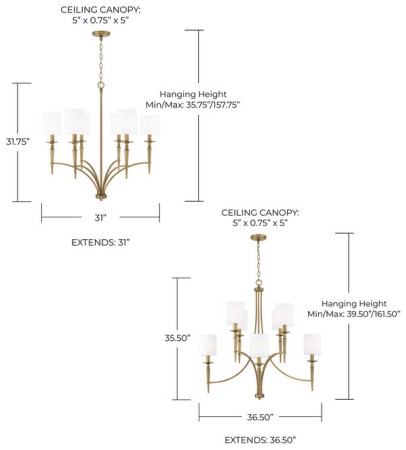

By Capital Lighting

Description

A striking combination of straight vertical lines and simple curves gives the sophisticated Abbie Chandelier its modern appeal. The lamp holders feature candlestick detailing, a nod to traditional design with a contemporary update. This versatile chandelier can be styled in two ways--with the included shades, or without them for a more minimal, monochromatic look. Note: The 51 inch chandelier is only available in Polished Nickel.

Shown in aged brass / white fabric
