Leighton Down Light Outdoor Wall Sconce By Capital Lighting

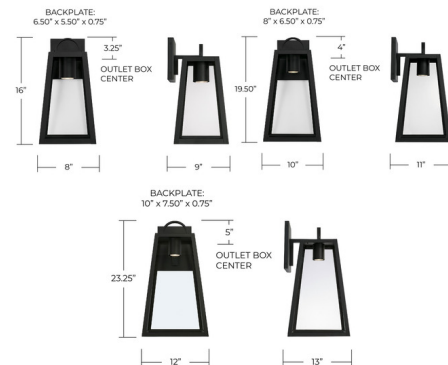

Description

With its simplified geometric frame of heavy, slanting lines, the Leighton Outdoor Wall Sconce is a refresh of the classic lantern. The handle-like loop at the top is a reminder of its traditional roots. The hidden GU bulb socket emits only down light, minimizing light pollution. This wall sconce is perfect for adding a bold, modern accent to porticos, decks, and walkways.

Shown in black / clear
