Liberty Pendant

By Dainolite

Description

The Liberty Pendant has a simple, clean composition that is elevated thanks to some thoughtful details. Supported by a sleek down rod, a smooth, dome-shaped glass shade surrounds a single, visible light source to lend a bright touch to spaces. The top of the shade is wrapped with a metal band that has minimal hardware details and is also accented with an openly styled, rectangular piece that adds a neat, geometrical touch to this design. Note: Not all options are available.
